LEA ARP ESSER Plan: "A Plan for the LEA's Use of ARP ESSER Funds"

Please submit in both Excel and PDF form to ESSER@doe.nh.gov by 2/23/2022.

The American Rescue Plan Elementary and Secondary School Emergency Relief ("ARP ESSER") Fund, authorized under the American Rescue Plan ("ARP") Act of 2021, provides New Hampshire over \$350 million to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 ("COVID-19") pandemic.

This mandatory template is intended to collect all federally required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, requirement that, an LEA shall publish an LEA ARP ESSER Plan, which is often called a "school district use of funds plan." See the Department of Education's most current guidance posted here: https://omb.report/icr/202201-1810-002/doc/117519100.

For further context, please reference ARPA (https://www.congress.gov/bill/117th-congress/house-bill/1319/text) or the Interim Final Requirements of ARP ESSER in which the U.S. Department of Education established these requirements (https://www.govinfo.gov/content/pkg/FR-2021-04-22/pdf/2021-08359.pdf).

III. Stakeholder Engagement

Best Practices in Implementing ARP ESSER LEA Use of Funds Plan

 How the LEA provided the public the opportunity to provide input in the development of the LEA's plan for the use of ARP ESSER funds:

Somewhat - Description Required

Description:

Public announcements via public board meetings and minutes; public advisory board comprised of parents, medical professionals, staff and others.

 How the LEA took public input into account regarding the development of the LEA's plan for the use of ARP ESSER funds (please choose one):

Somewhat - Description Required

Description:

MVCS considered public input regarding the development of the use of ARP ESSER funds knowing that the decisions made would directly and indirectly impact the entire community and the plan needed to be inclusive to all.

- 3) How the LEA engaged in meaningful consultation with specific stakeholders, including, but not limited to:
 - a. Students (please choose one):

Somewhat - Description Required

IV. Supporting the Continuous and Safe Operation of In-Person Learning

The extent to which and how LEA ARP ESSER funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:

<u>Note</u>: Federal regulation on this plan requires such reporting, but does not require adoption of CDC safety recommendations. The NH DOE recognizes schools will implement localized safety measures based on the guidance provided by the CDC, NH Public Health, and local public health officials.

Description During SY 2021-2022:

MVCS uses ARP ESSER funds during the 2021-2022 school year to pay a professional cleaning company to clean and disinfect all indoor spaces twice a week, maintain medical grade air purifiers as needed, purchase cleaning supplies to keep all classrooms stocked, as needed.

V. Addressing the Academic Impact of Lost Instructional Time (At least 20 percent of an LEA's Allocation)

- How the LEA will identify individual student learning loss, including among students most likely to have experienced the impact of lost instructional time on student learning, such as:
 - a. Students who did not consistently participate in remote instruction when offered during school building closures;
 - b. Students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and
 - c. Students most at-risk of dropping out of school.

Description During SY 2021-2022:

MVCS will identify individual student learning loss including students most likely to have experienced the impact of loss instructional time due to the pandemic by asking lead teachers to utilize evidence based assessments on all students. MVCS will purchase additional computers and supplemental curriculum to support and bolster the already robust curriculum.

2) How the LEA will use the funds it reserves to address the academic impact of lost instructional time through:

Description During SY 2021-2022:

MVCS will send out letters to parents of a percentage of identified students asking if they are interested in their child participating in in-person tutoring to address learning loss that may be a result of loss academic time due to the pandemic. Families who agree to the program will have their students tutored in 6 week sessions with progress tracked using pre and post tests.

Description During SY 2022-2023:

MVCS will send out letters to parents of a percentage of identified students asking if they are interested in their child participating in in-person tutoring to address learning loss that may be a result of loss academic time due to the pandemic. Families who agree to the program will have their students tutored in 6 week sessions with progress tracked using pre and post tests.

Description During SY 2023-2024:

MVCS will send out letters to parents of a percentage of identified students asking if they are interested in their child participating in in-person tutoring to address learning loss that may be a result of loss academic time due to the pandemic. Families who agree to the program will have their students tutored in 6 week sessions with progress tracked using pre and post tests.

- 3) How the LEA will use the funds it reserves to address the academic impact of lost instructional time through:
 - a. Individualized tutoring, including providing stipends to teachers for intensive, supplemental tutoring (please choose one):

Yes - Description Required

Description:

MVCS will offer lead teachers a tutoring stipend for intensive and supplemental tutoring that will occur after school hours and in an in-person setting.

b. Teacher-directed professional development, in which teachers choose the professional development opportunities best suited to their career pathway and current learner needs (please choose one):

No	
Description:	
Description: No	

4) How the LEA will produce evidence of the effectiveness of evidence-based learning loss interventions employed:

Description:

Teachers will record pre and post tests and all data will be stored in a secured location in the office.

VI. Addressing Learner and Community Needs (Up to 80 percent of an LEA's Allocation)

 After accounting for the funds reserved under section 2001(e)(1) of the ARP Act, how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act (See Appendix A):

Description During SY 2021-2022:

Increased student support time, additional classroom teachers, collaboration time for instructional staff, updated technology and infrastructure, supplies and materials to support COVID 19 mitigation strategies, restrictions, and changes to learning environments.

Description During SY 2022-2023:

Increased student support time, additional classroom teachers and collaboration time for instructional staff.

Description During SY 2023-2024:

Increased student support time, additional classroom teachers and collaboration time for instructional staff.

- 2) After accounting for the funds reserved under section 2001(e)(1) of the ARP Act, how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act (See Appendix A):
 - a. Providing individualized instruction:

MVCS will remain committed to family engagement but does not have enough ESSER funds to address this area.

- 3) The LEA's use of funds to address the following additional needs identified in the New Hampshire Department of Education's robust, statewide consultation with stakeholders:
 - a. What amount and percentage of the LEA's total allocation will be administered under school leader discretion:

Amount: The full amount

Percentage: 100%

Description of allocation methodology including the extent to which it reflected student need for, at minimum, Special Education, Free and Reduced-Price Lunch, and English Language Learners:

The allocation methodology included student need for special education, free and reduced-priced lunch and English Language Learners. based on our commitment to ensure to the fullest extent possible equitable access to, participation in, and appropriate educational opportunities for all faculty, staff, students, and their family members with special needs. VII. Addressing the Unique Needs of All Learners

How the LEA will ensure that the interventions it implements will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Description:

Mountain Village Charter School (MVCS) will ensure to the fullest extent possible equitable access to, participation in, and appropriate educational opportunities for all faculty, staff, students, and their family members with special needs. MVCS does not discriminate on the basis of race, color, sex, religion, national origin, age, disability, genetic information, sexual orientation, gender identity, gender expression, pregnancy, marital status, military status, veteran status, or any other status or classification protected by federal, state or local law in its education, research, health care services and community outreach activities. MVCS provides reasonable and appropriate accommodations in response to the needs of its students, faculty, community members and other participants. We remain deeply committed to promoting and maintaining a civil community that facilitates opportunities for shared understanding and expression of individual and collective truths. Moreover, we resolve to maintain a community that is respectful of all persons despite differences in age, citizenship, disability, ethnicity, gender identity or expression, geographic origin, language, marital status, nationality, philosophical beliefs, race, religion, sexual orientation, or socioeconomic status.

VIII. Addressing Unique Renovation, Air Quality and/or Construction Needs

If the LEA plans to use or has used any portion of ARP ESSER funds for construction projects, describe those

 - (R) Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.

Appendix B. Interim Final Requirements of ARP ESSER Excerpt

Appendix B. Interim Final Requirements of ARP ESSER Excerpt

(2) LEA ARP ESSER Plan.

- (a) Each LEA that receives ARP ESSER funds must submit to the SEA, in such manner and within a reasonable timeline as determined by the SEA, a plan that contains any information reasonably required by the SEA. The plan, and any revisions to the plan submitted consistent with procedures established by the SEA, must describe—
 (i) The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:
- (ii) How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs;
- (iii) How the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e) of the ARP Act; and
- (iv) How the LEA will ensure that the interventions it implements, including but not limited to the interventions under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.
- (b) In developing its ARP ESSER plan, an LEA must—
- (i) Engage in meaningful consultation—
- (A) With stakeholders, including: Students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions; and
- (B) To the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students: and
- (ii) Provide the public the opportunity to provide input and take such input into account.
- (c) An LEA's ARP ESSER plan must be-
- (i) In an understandable and uniform format;
- (ii) To the extent practicable, written in a language that parents can understand or, if it is not practicable to provide written translations to a parent with limited English proficiency, be orally translated for such parent;
- (iii) Upon request by a parent who is an individual with a disability as defined by the ADA, provided in an alternative format accessible to that parent; and
- (iv) Be made publicly available on the LEA's website.
